

Test of Competence

The GCC's Test of Competence has to be taken by chiropractors with a qualification from outside the EU before they can practise in the UK

2015 at a glance

24 individuals took the TOC

75% (18 people) passed¹

Only **4** candidates were unsuccessful

7 panels took place on **4** different days

7 assessors were recruited and trained

A further **6** assessors have been recruited and trained for 2016

Candidates have found the TOC a worthwhile challenge

"The TOC was tough but firm"

"Taking the TOC has been a great experience"

"It has really given me confidence I am now competent to treat patients in the UK"

¹ Two candidates have been asked to resubmit information
