

Summary of GCC Conditions imposed on Education Institutions

2018/ 2019 /2020/ 2021/ 2022/2023

Institution	Programme	Programme duration	Condition	Year	Target date for completion	Outcome
McTimoney College of Chiropractic	Integrated Masters in Chiropractic	4 year Abingdon	The MCC must send details of modules and learning outcomes specifically mapped against Standard 6 of the Education Standards as part of the annual monitoring process for the 2017-18 academic year. There appeared to be an oversight in regards to the task of mapping the programmes' learning outcomes to the GCC's Education Standards document. However, in order to assure the GCC that all standards are being met, the MCC is required to submit the additional information (noted above) by the completion of the annual monitoring process for the 2017-18 academic year, which will be in April 2019.	2017-18	April 2019 ✓	Met
