

## Summary of GCC Conditions imposed on Education Institutions

2018/ 2019 /2020/ 2021/ 2022

Institution	Programme	Programme duration	Condition	Year	Target date for completion	Outcome
McTimoney College of Chiropractic	Integrated Masters in Chiropractic	4 Year Abingdon	The MCC must send details of modules and learning outcomes specifically mapped against Standard 6 of the Education Standards as part of the annual monitoring process for the 2017-18 academic year. There appeared to be an oversight in regards to the task of mapping the programmes' learning outcomes to the GCC's Education Standards document. However, in order to assure the GCC that all standards are being met, the MCC is required to submit the additional information (noted above) by the completion of the annual monitoring process for the 2017-18 academic year, which will be in April 2019.	2017-18	April 2019	Met
		5 Year Abingdon				
		5 Year Manchester				
London South Bank University	MChiro	4 year	The GCC will conduct annual monitoring visits until the first graduating cohort has been achieved to ensure it is satisfied that the programme is meeting all of the requirements set out in the GCC's Education Standards.	2017-18	Autumn 2022	This condition cannot be met until the first cohort graduates
			The institution must recruit appropriately qualified chiropractic staff who must take up post by the end of June 2018.	2017-18	June 2018	Met

Institution	Programme	Programme duration	Condition	Year	Target date for completion	Outcome
			The institution must review the appropriateness of assessments for particular units in years 2, 3 and 4 and provide evidence	2017-18	June 2018	Met
			Introduce an element of shadowing or observation of chiropractic practice within the first two years of the programme to promote professional identity.	2018-19	Autumn 2019	Met
			The institution must supply the GCC with a detailed timeline for the recruitment of staff up until the graduation of the first cohort, along with a map of the governance structure by April 2019.	2018-19	April 2019	Met
			The institution must provide detailed information on resources available in regards to onsite clinic space as well as a timeline for when the clinic will become fully functional by October 2019.	2018-19	October 2019	Partially met*
			The institution must provide the GCC with a list of providers offering student clinic placements by April 2019.	2018-19	April 2019	Met
			The institution must provide assurance to the GCC that the institution or clinic holds correct level of insurance that will cover students treating patients while on their clinical placements. In addition the institution must provide copies of the clinic placement contracts by April 2019	2018-19	April 2019	Met
			The institution must review how much access students have to space for practising manual techniques and consider increasing the accessibility to this space by October 2019.	2018-19	October 2019	Met

Institution	Programme	Programme duration	Condition	Year	Target date for completion	Outcome
			The institution must formalise its quality assurance processes with regard to selection of clinics and make better use of in-house University resources which can assist and support with this process to look to other parts of the university for their resources which can feed into this process (January 2020)	2019-20	January 2020 Revised target date -	**In progress
			The institution must provide a formal plan for the provision of an onsite student clinic and a timeline for operation (Summer 2020)	2019-20	Summer 2020	*Met
			The institution must provide assurance around student access to practical skills rooms outside normal teaching hours, reported as an ongoing issue (January 2020)	2019-20	January 2020	Met
			The institution must provide: <ul style="list-style-type: none"> <li>a written plan for the operational aspect of students passing into the fourth year and being placed in student clinic/s to enable completion of the fourth year;</li> <li>a full staffing plan for: <ol style="list-style-type: none"> <li>the student clinic and</li> <li>(ii) to support students in placements outside of the University</li> </ol> </li> </ul>	2020-21	April 2021
