

## Register of interests

**Andrew Miles**

**Registrant Member of the Professional Conduct Committee and  
Health Committee  
May 2021**

I am required to complete and annually update a declaration of interests form to register my financial and other interests that could potentially conflict with my GCC role above. I must also ensure that any significant changes throughout the year are notified to the GCC immediately. I have provided an up to date list of my interests below.

These include:

- direct financial interests
- indirect financial interests which relate closely to GCC activity
- non-financial interests
- interests of those close to me –any financial and non-financial interests of close family members<sup>1</sup> and people living with me that could be thought of as relevant to GCC activity.

I am aware that, in addition to providing this list, I am also required to declare any interests at the start of any GCC meeting where any particular interest conflicts with some or all of the business to be discussed at that meeting. I must also disclose any conflicts that may arise prior or in the course of a GCC hearing.

### Direct financial interests

**Any activity for which I am or have been paid for within the last five years, whether or not the activity relates to the work of the GCC.<sup>2</sup>**

I am the Principle Chiropractor, Director and main shareholder of The Llandaff Clinic Ltd. This was established in 1997 and provides me with my only source of income other than investments which have no relationship with chiropractic. My wife, Sharon (Jude) Miles, is the other shareholder and employed as the Practice Manager. She previously was employed by the NHS as a Physiotherapist 2010 – 2017.
