I am required to complete and annually update a declaration of interests form to register my financial and other interests that could potentially conflict with my GCC role above. I must also ensure that any significant changes throughout the year are notified to the GCC immediately. I have provided an up to date list of my interests below.

These include:

I am aware that, in addition to providing this list, I am also required to declare any interests at the start of any GCC meeting where any particular interest conflicts with some or all of the business to be discussed at that meeting.
