

## Register of interests

**Suzanna Jacoby**

**Lay Member of the Professional Conduct Committee and Health Committee**

**May 2021**

I am required to complete and annually update a declaration of interests form to register my financial and other interests that could potentially conflict with my GCC role above. I must also ensure that any significant changes throughout the year are notified to the GCC immediately. I have provided an up to date list of my interests below.

These include:

- direct financial interests
- indirect financial interests which relate closely to GCC activity
- non-financial interests
- interests of those close to me –any financial and non-financial interests of close family members<sup>1</sup> and people living with me that could be thought of as relevant to GCC activity.

I am aware that, in addition to providing this list, I am also required to declare any interests at the start of any GCC meeting where any particular interest conflicts with some or all of the business to be discussed at that meeting.
